POST 16 TRANSITION SUPPORT 2026

Our Post 16 Transition Coordinator works with secondary schools to identify vulnerable young people with SEND who may need additional support to manage transition to Post 16 education, employment or training.

WHO?

Year 11 young people with SEND, but without an EHCP who would benefit from support to create a future pathway after GCSE

WHEN?

School colleagues can make referrals in November 2025. Referrals will be triaged and Laura will make contact with the school.

HOW?

Each school can refer up to 4 year 11 young people using the referral form on the DSPL2 website

NEXT STEPS...

- Identify year 11 young people you would like to refer.
 - Complete the referral form from the DSPL2 website and send to the below email
 - Laura will then be in touch
- All support is bespoke
 - Laura will meet with school colleagues, family and young people to create a post 16 plan
 - Support will begin in the spring term and continue throughout the summer and autumn term
 - Support can include: family support, accessing careers advice and guidance, completing applications, visiting open days, exploring alternative options, liaising with colleagues and college staff and working through practical planning such as travel to and from college
