

DSPL2

Personal safety in education

We are pleased to invite DSPL2 school colleagues to join us at a session delivered by Robyn McFayden.

This session is to support adult personal safety in education when working with complex and unpredictable young people.

This will include supporting classroom management, moving around the school environment, resources and de-escalation.

Wednesday
4th February
9.30-11.30am

The Oak Suite,
Peartree Spring Primary
School
