

Inference Detectives

Are you supporting pupils who struggle to make inferences from the texts they read?

A two hour Face to Face practical session for Primary SENCOs, Class teachers and TAs

Training delivered by the Cognition and Learning Team

Inference Detectives is a small group or one-to-one intervention (1 x 20 mins weekly) for pupils in early KS2 who can decode at Year 3 to 4 level, but are struggling to make inferences when reading. This can also be used with pupils in Years 5 and 6 who are reading at Year 3 to 4 level.

Inference Detectives uses a graphic organiser approach to explore the **'where', 'when', 'who' and 'what happened'** information to read beyond facts in a text. Pupils are encouraged to use logic, detail and reasoning to draw conclusions from texts.

This training will include:

- What inferential comprehension difficulties are, and what skills pupils need.
- The KS2 reading expectations regarding inference.
- How to implement the 'Inference Detectives' programme.
- How to review progress.

A resource pack will be sent electronically after the training

Cost: £60.00 per delegate

To book a place on this training, please use our online booking system using the links overleaf under each venue.

Any queries, please email the cognitionandlearningteam@hertfordshire.gov.uk

Please note: We are unable to accept cancellations once a place has been booked
