

Whizzy's Words-2

Phase 2 Phonics Intervention

Training delivered by experienced Cognition and Learning Specialist Advisory Teachers
For SENCOs & Teaching Assistants

Whizzy's Words-2 is a one-to-one early phonics intervention (3 x 20 mins) for pupils who:

- are struggling to learn Phase 2 sounds and are not yet blending or segmenting sounds in consonant-vowel-consonant words.
- have made very limited progress despite implementation of individual catch-up using the school's own systematic synthetic phonics programme.

This training will:

- Share how to accurately assess pupils' needs and identify gaps in phonic knowledge
- Show how to identify appropriate targets for intervention
- Model how to deliver this multisensory, cumulative, highly structured intervention
- Provide opportunities to practise elements of the intervention with colleagues

Following training all attendees will receive a comprehensive set of electronic resources to aid successful delivery of this intervention back in school.

Free Event

To book a place on this training, please see overleaf:
