

Funded for all Hertfordshire schools as part of the HCC core contract

INCLUSION BY DESIGN: DEVELOPING YOUR SCHOOL'S STRATEGY

A two-hour practical workshop for mainstream secondary and primary school leaders and SENCOs to explore how to develop their inclusion strategy.

This workshop will familiarise leaders with the inclusive mainstream fund conditions of grant including the seven principles of inclusion and consider how to use the five-step process to focus on identifying barriers, prioritising evidence-informed actions, and creating a clear implementation plan for strengthening inclusive practice.
