An Introduction to Selective Mutism (SM)

Children & Young People's Speech & Language Therapy Service

This training session will allow you to:

- Learn more about the nature of SM
- Feel more confident in identifying children with SM
- Be aware of strategies that can be used to reduce anxiety and support the child or young person with selective mutism across the school day
- Know where to access further support, resources, training, and information on SM

Audience

This training is appropriate for all staff working with children and young people with selective mutism or who are interested in developing their knowledge in this area.

How will this training be delivered?

This training will be delivered virtually via Microsoft Teams.
