

Ask SALI – the SEND Advice Line for Inclusion dedicated to SENCOs

What is the Send Advice Line for Inclusion (Ask SALI)

Ask SALI is an early advice line, targeted primarily at SENCOs, to help them meet the needs of children and young people with Special Educational Needs and Disabilities (SEND) as early as possible, in the most appropriate way.

“Ask SALI will provide quick, easy access to advice and support – responding to what SENCOs have asked for”

Sally Glossop, County Lead for Graduated Response

What Ask SALI Supports

- **Understanding** and meeting children’s needs as early and as holistically as possible
- **Supporting inclusive practice** in all settings
- **Enhancing** confidence amongst professionals in support provided
- **Building** connections between settings, local authority, and partner organisations

When to get in touch

The line is open to professionals wishing to discuss all children and young people with confirmed or suspected SEN needs or whose behaviour at school has become challenging. The CYP discussed do not need to have an EHC plan or be going through the assessment process. **In fact, we encourage earlier conversations.**

Hertfordshire
SENCO

“It will be great to know there is someone there to pick up the phone, who has time for a conversation.”
