

DSPL2 Stevenage Behaviour Service

Tier 2 Triage Meeting Dates 2024-2025

Intended Outcome:

To share and develop good practice in behaviour management and self-regulation.

What happens at Tier 2?

Referring schools will be invited to an online triage meeting with hub schools, DSPL2 Manager, Tier 3 and Tier 4 colleagues. *(Due to the number of professionals involved, we are unable to be flexible with the triage meeting dates offered)*

Hub schools are not experts but have a broad range of experience and strategies to support appropriate behaviour in the classroom and playground and have supported within their own school.

Support can be either systemic across whole school/year group or individual for one child.

Support may include; Generic support and behaviour advice for teachers, TA's and MSA's, reviewing policy and current practice, resources to support positive behaviour, visits to the hub school, peer observations.
